

Our Mission:

To deliver, promote and inspire high quality educational provision at the heart of our communities in the Peterborough/Cambridge region so that:

- Every child is a successful learner, confident individual and responsible and employable citizen
- Every school is a hub for community activities, centre for extended services and source of immense pride

The Trust aims to create a family of academies at all levels (primary, secondary, special and post-16, with links to further and higher education) working together – and with others - to ensure the highest educational standards.

We will achieve this by using our breadth of experience and our collective best practice to build expertise, capacity and investment in our academies, and, by example and through support, to foster continuous improvement in education across our local communities.
